What Makes You Choose

Bhutan As Your 'Me' Time Destination

"kuzuzangpo La" (Namaste) welcome to the world's only gross national happiness based economy n worlds first carbon free country of happy people. Over shadowed and nestled between China and India- Bhutan is one of the smallest countries in the world, but its cultural diversity and richness are profound. Here strong emphasis is laid on the promotion and preservation of their unique culture. Bhutan's location and its unique geographical and climatic variations, makes it one of the world's last remaining biodiversity hotspots.

Bhutan pristine environment, with high rugged mountains and deep valleys, offers ecosystems that are both rich and diverse. Recognizing the importance of the environment, conservation of its rich biodiversity is one of the government's development paradigms. Today, approximately 72% of the total land area of Bhutan is under forest cover and approximately 60% of the land area falls under protected areas comprising of 10 national parks and sanctuaries.

Relish mouth watering Bhutaneese cuisine, specially national dish of Bhutan Ema Datshi with Tingmo: Enjoy & feel the divinity in a class or a caste system free compassionate n fun loving society Bhutan,where thunder dragon,Druk, is emblazoned on the national flag, symbolizing the people of Bhutan: loyal, patriotic and living with a total sense of belonging within the kingdom

DAY 1:
